Rules:

1. No pre-cooking is allowed. Cooking may begin after cooks' meeting which will be at 0800 on Saturday September 10th, at the Shop Event Venue. Coffee and Burritos will be provided at the cooks meeting.
2. Cookers must provide all equipment and supplies including tables and tents. You will need to bring your own meat, ingredients, mixing bowls, serving trays, utensils and all other items you may need.
3. A space of approximately 12' x 20' will be allotted. (Set up can be done Friday evening)
4. Ribs must be ready for judging at 430pm.
5. Each contestant will be assigned a number by a member of the Patriot Committee. Each contestant should verify that the number on their entry container is the same as their assigned contestant numbers.
6. Judges will vote for the Ribs they like the best based on the following considerations: flavor, texture of meat, aroma and presentation.
7. Setup may begin as early as Friday evening or Saturday morning.
8. Cooking may be done on the cooker of their choice. Space is limited. No electricity is available on site. All equipment you bring must be self-sufficient requiring no electricity including grills, tables, chairs, and pop-up tent/shelter.
9. All ribs must be cooked on site. All cooking and assembly of rib basket must be made onsite.
10. All property and equipment used for cooking must be confined to your allocated space. All equipment must also be free standing. No stakes or digging is allowed.
11. The Committee reserves the right to amend regulations as circumstances warrant.
12. The decision of the judges is final.
